

Dear visitor!

Welcome to “Samsunn” the Vital- & Wellnesscenter.

- Please do not wear your bathing suit in the sauna.
- Please do not perspire on the wood! Spread your towel on the bench and lie or sit on it and use a second towel for your feet.
- Enter the sauna with your towel only. Slippers, jewellery and bathrobe should be left outside where there are hooks and shelves. Samsunn is not responsible for your valuables!
- Always shower before using the sauna and pools.
- The sauna is a place for quiet relaxation. Loud talk and conversation should be avoided.

Thank you for your understanding and cooperation!

Your Samsunn-Team
